

Position: Senior Consultant

Location: Preferably NYC-area; remote candidates considered

Type: Full-time

Experience: 4-7 years

About Us:

Geigsen is a consulting firm dedicated to helping organizations achieve long-term success by seamlessly integrating strategy with human elements. We believe that sustainable change happens when we connect vision with processes and people, fostering transformation through a blend of strategic, psychological, and technological insights. Our team is known for its practical solutions and deep client relationships built on transparency, integrity, and collaboration.

Job Description:

As a Senior Consultant at Geigsen, you will be pivotal in executing strategic projects, advising clients, and contributing to the firm's growth. You will work closely with senior leaders, facilitating workshops, delivering actionable insights, and guiding teams through transformation initiatives. In this role, you'll help bridge the gap between strategic objectives and effective execution, all while nurturing a high-performance, collaborative culture.

Key Responsibilities:

- Lead day-to-day project management, overseeing project teams and creating deliverables (e.g., presentations, strategic recommendations)
- Conduct senior leader workshops and meetings, using your expertise to guide strategy execution and change management
- Build and maintain client relationships, identify opportunities for new business, and contribute to proposal creation
- Support the development of new products and services, staying ahead of industry trends and client needs
- Contribute to the growth and development of team members, promoting Geigsen's values and a culture of continuous improvement

Required Qualifications:

- A bachelor's degree is required; a master's degree in psychology, organizational psychology, or an MBA preferred
- 4-7 years of consulting experience, with expertise in strategic planning, change management, or transformation projects
- Skilled in collaborating with diverse groups, ensuring projects align with client expectations and team capabilities
- Proficient in prioritizing tasks, setting schedules, and meeting deadlines effectively

- Ability to problem-solve by quickly identifying challenges, developing solutions, and adjusting to evolving situations
- Highly organized and able to critically analyze situations, structure information logically, and develop sound business solutions
- Experience working with C-suite clients is a plus
- Ability to thrive in a fast-paced, dynamic environment and adapt quickly to new challenges
- Excellent verbal and written communication skills, with the ability to convey complex ideas to various stakeholders
- Willingness to travel
